

YANA RONCHYK

Junior UX/UI designer

ABOUT ME

Passionate Junior UX/UI designer from Poland.

Studying Computer Science. Completed extensive UX/UI course.

Skilled in website development, mobile apps, logos, and product design.

Eager to create captivating user experiences. Let's connect and craft exceptional designs together!

EDUCATION

April-October 2021

Course in ux/ui design with certification (one of the leading IT schools in the CIS countries)

01.10.2021 - 28.02.2025 (now)

Collegium Da Vinci,
specialty - computer science (Poznan, Poland)

INTERESTS

In my free time, I'm a science literature enthusiast, always diving into its fascinating world of knowledge.

I'm a music lover too, enjoying all kinds of genres and languages.

YouTube is my go-to platform for entertainment and personal growth, as I find it both fun and educational.

Also, I have a passion for singing and have performed on stage at concerts and vocal competitions.
